

MOTOR CITY CHAPTER BMW CCA TECHNICAL INSPECTION FORM

The technical inspection is for your safety and the safety of others on the track with you. Do not try to avoid or shortcut this safety requirement. You must have a completed Technical Inspection Form to be permitted on the track.

Technical inspections will not be performed at the track. It is your responsibility to have completed a technical inspection. This technical inspection form, completed and signed by a certified mechanic, must be brought with you to the track and presented at the Registration Desk. No completed and signed technical inspection form means NO driving and NO refund. There are absolutely NO exceptions to this rule.

You must complete the technical inspection no more than four weeks prior to the event and *after* your most recent track event. All necessary repairs are your responsibility. Note that all cars remain subject to additional inspections throughout the event. Cars deemed to be unsafe to participate will be excluded until suitable repairs can be made. ***Brake fluid must be changed at least after every 6 events or within one year of the event.***
